

Simply the best fixation.

FISSO
Swiss Made

3D Articulated holders for Machine Vision & Automation

Easy, quick and reliable positioning of Cameras, Sensors and Monitors in automation processes

Features:

- Mechanical central clamping systems, maintenance-free and long lifespan
- Wide range of articulated arms, size, holding force, colors and materials
- Bases and mounts for secure fixation of the arm in the conveyor or aluminum installation frame
- Various head components compatible with multiple vision cameras, lasers and sensors
- Customized OEM solutions on request
- Large warehouse in Switzerland and short delivery times for standard parts

FISSO Sets

Order no.	Description	Length [mm]	Weight [kg]	Components
OE20.10	Camera - Monitor mount	200	0.6	Mounting Plate, Articulated arm 4.120, Mounting plate
OE20.20		200	0.4	Mounting plate, Articulated arm 4.130
OE20.30		200 (+200)	0.5	Mounting plate, Extension bar, Articulated arm 4.120
OE26.10		260	0.6	Mounting Plate, Articulated arm 4.160, Mounting plate
OE26.20		260	0.7	Table clamp, Articulated arm 4.160, Mounting plate
OE20.40	Laser mount - Light-Guide Holder	200	1.5	Steel base, Articulated arm 4.120, Clamp for \varnothing 9-12
OE20.50		200	0.5	Table clamp, Articulated arm 4.120, Clamp for \varnothing 9-12
OE13.10	Sensor mount	130	0.3	Mounting Plate, Articulated arm 4.030, Mounting plate
OE13.20		130	0.7	Magnetic Base, Articulated arm 4.030, Mounting plate

OEM-Sets on demand

Articulated arms

Order no.	Arm Length [mm]	Thread Bottom	Thread Top	Holding Force [N]	Arm-Weight [kg]	Color
4.030	130	M6	M6	25	0.15	Black
4.120	200	M6	M6	25	0.25	Black
4.130	200	M6	1/4" 20 UNC	25	0.25	Black
4.160	260	M8	M6	27	0.40	Black
4.350	340	M8	M8	40	0.90	Black

Further articulated arms can be found on www.fisso.com

Base components

Order no.	Description	Application - Usage	Thread	Material
85.030	Universal mounting plate	For T-Slot aluminium profiles i.e. 20x20, 30x30, 40x40 mm	M6	Aluminum, red
85.040			M8	Aluminum, red
5.202	Table clamp mount	For table/profile max 40 mm	M6	Aluminum, black
5.204			M8	Aluminum, black
5.041	Stand-alone steel base	Stand-alone	M6	Steel, black
5.065	Magnetic base 600 N	For steel plate (magnetic)	M6	Steel, grey

Further base components can be found on www.fisso.com

Head components

Order no.	Description	Application - Usage	Thread	Material
85.030	Universal mounting plate	Machine Vision Cameras/Sensor	M6	Aluminum, red
85.040			M8	Aluminum, red
5.450	Clamp for round objects	Round Profiles with \varnothing 9-12 mm	M6	Aluminum, black
5.440	Extension bar 200 mm		M6	Steel, black

Further head components can be found on www.fisso.com
