

Persistent Organic Pollutants (POPs) Declaration

We hereby declare that, based on the information provided by our suppliers and on our current knowledge, the products manufactured and supplied by Baitella AG do not contain substances listed in Annex I of Regulation (EU) 2019/1021 on Persistent Organic Pollutants, as amended and applicable at the date of this declaration.

This declaration is made in accordance with Regulation (EU) 2019/1021, which implements the Stockholm Convention on Persistent Organic Pollutants within the European Union.

Zurich, 12.12.2025
